

NYU Tandon School of Engineering  
Computer Science and Engineering  
CS-UY 3083, Introduction to Database Systems, Summer 2025 Prof. Dey

Progress Report Of Course Project is due on Sunday 22, 2025 11:59pm

You should mention at least following information in the progress report:

- 1) Name of the Team Members:
- 2) What technology are you are using?
- 3) If you are working with a partner/two partners, how did you divide work load. Who will do which part?
- 4) What's your plan to finish the project in time?
- 5) Are you currently facing any problems?
- 6) How many use cases have you completed so far?
- 6) Did you create the tables in the databases? Do you plan to have any additional features?
- 7) Did you inserted data in those tables?

Note: The report can be typed up in any word processor but please convert it to a PDF and submit a PDF file for grading. Thanks.
